

TAKE A DIFFERENT ROAD

THE NEW L200 DIAMOND

THE ULTIMATE DIAMOND

Since its launch the L200 pick-up has captured the hearts and minds of press and public alike – taking top honours from What Van?, Fleet World and Professional Van and Light Truck within a few short months and firmly establishing L200s as Britain's best-selling pick-ups. And now there's another L200 Double Cab to covet – the top-of-the-range L200 Diamond. Externally it's identified by the grey front guard which matches the wheelarch extensions, together with chrome headlamp and tail lamp bezels to compliment the polished stainless steel fuel filler, door and tailgate handles. Under the bonnet a 165 bhp power upgrade boosts maximum torque to a stunning 256 lb.ft. at 2000 rpm and the 0-62 mph sprint to just a whisker over 12 seconds. And in

the cab it enjoys both climate controlled air conditioning and a sun roof, black leather heated seats with driver's electric adjustment, cruise control and a DVD based satellite navigation system to make getting around particularly easy, as well as a ten-disc CD autochanger to keep you amused.
